

NOTICE OF TENDER OPPORTUNITY

APPOINTMENT OF SPECIALIST CONTRACTOR TO DESIGN, MANUFACTURE AND SUPPLY TWO 14mX9m DEMOUNTABLE PREFABRICATED CLASSROOMS

Lebone II - College of the Royal Bafokeng wishes to procure two demountable prefabricated classrooms to be designed, manufactured, supplied and installed at the College by 6 January 2021 before the school re-opens for the new school year on 11 January 2021.

Tender documents will be issued to Companies who can meet the following general eligibility criteria:

1. Classrooms must be 14m long x 9m wide each and supplied with a Structural Engineers' Certificate. They must be constructed on a steel chassis and raised off the ground on suitable leveling supports to allow them to be demounted, moved to a new site and re-erected without damage and look similar to the photo below.
2. Companies must be able to design, manufacture (in a factory) and install these classrooms themselves without subcontracting any work, with a five year suitable guarantee and must be able to provide a track-record of similar projects successfully completed with previous Client references.

Should your Company be able to comply with the above eligibility criteria you are invited to contact Ms. Retha Mohapi on telephone number (011) 380 6400 or e-mail: retha@deleeuw.co.za and request tender documents.

Before tender documents are issued, it may be necessary for your Company to prove that they can meet the above eligibility criteria. E-mail requests for the tender documentation with your Company's back-up information are to be received by Retha no later than 17h00 on Tuesday 17 November 2020.

Thank you for your assistance.
