

REQUEST FOR QUOTATION (RFQ)

APPOINTMENT OF AN RBED-REGISTERED SMME FOR LABOUR-BASED INSTALLATION SERVICES

Project: Supply and Installation of Electronic Security Systems (CCTV & Access Control) at Royal Bafokeng Sports Palace (RBSP)

Main Contractor: Veracitech (Pty) Ltd

Client: Royal Bafokeng Administration (RBA)

Reference: RBA/RBN Installation of Electronic Security System (CCTV and Access Control) at RBSP/2026/RFP010

1. Background

Veracitech (Pty) Ltd has been appointed by the Royal Bafokeng Administration (RBA) to undertake the supply and installation of upgraded Electronic Security Systems, including CCTV, Access Control, Network Infrastructure, Turnstiles and SOC Integration at the Royal Bafokeng Sports Palace. The project includes a commitment to allocate a minimum of 7% of the contract value to an RBED-registered SMME through subcontracting opportunities focused on labour-based activities.

Veracitech hereby invites suitably qualified and experienced RBED-registered SMMEs to submit quotations for participation in the execution of selected installation works under this project.

2. Scope of Work

The appointed SMME shall provide labour, supervision, tools, transport, and related resources necessary to execute the following activities:

CCTV Installation Support

- a) Mounting of CCTV cameras and brackets.
- b) Installation of poles, brackets and mounting accessories.
- c) Cable pulling and containment installation.
- d) Installation of junction boxes.

Cabling and Terminations

- a) Installation of data cabling.
- b) Fibre cable pulling.
- c) Fibre splicing assistance.
- d) UTP and fibre terminations.
- e) Labelling and cable management.

Network Infrastructure Support

- a) Rack dressing.
- b) Installation of patch panels.

SPECIALISED SECURITY TECHNOLOGY PRODUCTS AND CUSTOMISED SOLUTIONS

- c) Installation of cabinets and related accessories.
- d) Cable routing and bundling.

Access Control Support

- a) Door hardware installation.
- b) Mounting of readers, controllers and ancillary devices.
- c) Installation support for locks and access control components.

Civil and Construction Works

- a) Trenching.
- b) Minor concrete works.
- c) Core drilling.
- d) Reinstatement of surfaces.
- e) Minor building and repair works associated with security infrastructure installations.

Commissioning Support

- a) Site assistance during testing and commissioning.
- b) Equipment handling and logistics support.
- c) General installation assistance.

The successful SMME will work under the direct supervision and management of Veracitech.

3. Mandatory Returnable Documents

Bidders must submit the following:

- a) RBED Support Letter (Not older than 3 months).
- b) Company Registration Documents (CIPC).
- c) Tax Compliance Status PIN.
- d) Valid Letter of Good Standing (COIDA).
- e) Certified ID copies of Directors.
- f) Proof of Banking Details.
- g) Company Profile detailing relevant/similar experience (proof must be submitted i.e Purchase Orders/Appointment Letters/Completion Letters).
- h) Contactable references for similar projects (Minimum 3 contactable references).
- i) Completed pricing schedule.
- j) Health and Safety File (where applicable).

Failure to submit mandatory documentation will result in disqualification.

PSIRA Certification not mandatory but will be advantageous

4. Skills Development and Enterprise Development

The successful SMME will receive support from Veracitech through:

- a) On-site technical mentoring.
- b) Skills transfer and practical training.
- c) Provision of required PPE.
- d) Provision of specialized tools where necessary.
- e) Exposure to security technology installation methodologies.
- f) Enterprise development and capacity-building initiatives.

5. Contract Duration

The subcontract period shall coincide with the implementation programme for the Royal Bafokeng Sports Palace Security Upgrade Project, currently scheduled for completion by **11 December 2026**.

6. Evaluation Criteria

Submissions will be evaluated based on:

Criteria	Weighting
RBED Compliance	Mandatory
Relevant Experience	30%
Technical Capability and Resources	25%
Availability and Capacity	20%
Local Employment Commitment	10%
Pricing	15%

7. Pricing Submission

Respondents shall provide:

- Labour rates.
- Supervision rates.
- Equipment and tool rates (if applicable).
- Transport costs.
- Any other applicable costs.

Prices must remain fixed for the duration of the subcontract period.

8. Local Labour Requirement

Preference will be given to SMMEs that demonstrate commitment to employing labour from the Royal Bafokeng Nation communities and surrounding areas.

9. Closing Date and Submission Details

This RFQ shall close on the **04 September 2026 at 12:00 pm**.

No late submissions will be considered, All "Complete RFP's" including all supporting documentation must be emailed to admin@veracitech.co.za

Late submissions will not be considered.

10. Enquiries

All commercial queries may be addressed to Veracitech

Angela Newton on Email: admin@veracitech.co.za

To ensure a fair and transparent RFQ adjudication process, all communication, requests for additional information, or queries must be addressed in writing to the email addresses listed above. Kindly be advised that no other form of communication will be entertained and telephonic queries will be permitted during this period. This strict protocol is in place to maintain the integrity and confidentiality of the RFQ process.

All received communication will be responded to promptly and shared with all who expressed an interest to bid to ensure that all Bidders have access to the same information.

All RFQ queries should be issued no later than **2nd September 2026 at 16h00**.
